Re: Open Space Negotiations: Watson Farm 40B

Dear Paul:

As you are aware, the applicant for the above-referenced project has made a significant Open Space offer to preserve much of the Watson Farm property. The Town has previously made an effort to purchase this property, but was unsuccessful. In order to review this Open Space Proposal, the Conservation Commission requests that you designate a body to review this on behalf of the Town. As the project requires concurrent reviews by the Zoning Board of Appeals and the Conservation Commission, and that the Planning Board has significant interest in the impact of this project on Town resources, we request that this body consist of a representative of the Conservation Commission, the Zoning Board of Appeals, and the Planning Board.

Please contact me at your convenience should you have any questions.

Sincerely,  
CONSERVATION COMMISSION

*Michael F. Clark*
