Dear Mr. Danehey:

This letter is to confirm that MassHousing has received your request to review public records under the Massachusetts Public Records Act (the "Act") with respect to: Herring Brook Meadow.

The request has been distributed to the appropriate departments within MassHousing for processing.

Please note that MassHousing charges for processing Public Records Requests in accordance with 950 CMR 32.06, which includes charges for both "search time" and "segregation time" as well as charges for photocopies. Search time and segregation time are calculated on a pro-rated fee based on the hourly rate of the lowest paid employee who is capable of performing the specific task. Search time is the time necessary to locate the requested record(s), remove it from the files, photocopy the record, and return it to the file. Segregation time is the time necessary to remove or redact information exempt from disclosure under the Act.

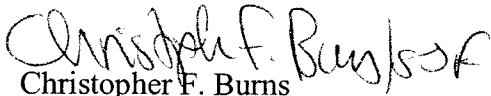

Once we've collected the responsive materials, if any, a MassHousing staff member will contact you with an estimate of the cost to comply with your request. Upon payment of any fees, MassHousing will arrange a time for you to inspect the records at MassHousing's office located
